11	Girls 50 Backstroke O-Cat1		
12	Boys 50 Backstroke O-Cat1		
13	Girls 25 Backstroke 6&Under		

Relay Notes:

- Relays are all mixed to allow flexibility to find swimmers who can do breast & fly in their divisions. No restriction of number of boys/girls. Just swim!
- Kids can be put on multiple relays. Form as many as you like, we'll swim 'till we run out of time.
- We have relays specific for Div 1&2. Div 8 open to all.
- Coaches/older swimmers *encouraged & expected* to swim on relay teams. Great chance for the kids to see their coaches "in action" along with some team building.
- Bring relay entry cards with you. Form teams and enter at the meet.

Other Notes:

- Official times will be converted to 25m equivalents following the end of the meet. Times will be converted from the 30m (100 foot) pool length to a standard distance 25m equivalent using Colorado Conversion Settings (0.833 ratio). This file will be emailed to all coaches after the meet.
