

## Winter Maintenance Session II (2019)

The BC Summer Swimming Association (BCSummerSwimming.com) guidelines state we can provide 2 hours of coached practice per week during the winter. **Please Note: If you choose to swim more than 2 hours of coached practice in the winter your status will be as an "O" (Open Category) swimmer in the summer.**

Our swim times at the Surrey Sport and Leisure Pool are **Sunday and Wednesday evenings from 5:45pm to 7:00pm. We are also hoping to continue with a later option on Sundays – 6:45pm 8:00pm. If we do not have enough registrations in the later time slot it will be cancelled. All registrants will be contacted, so please have a backup option ready.** You may choose to swim one or both days. To ensure safety and quality coaching for all swimmers, limited registration may be imposed.

**Assessments for new swimmers:** At this point, the Triton swim club is requiring new swimmers to have passed any of the following lesson programs:

- Red Cross Swimming Kids 6
- I Can Swim Stage 2 - Advanced
- YMCA Star 1

If your child has participated in other swimming lessons, the minimum requirements to come for an assessment are 25 meters freestyle (unassisted) and 25 meters backstroke (unassisted).

We do not charge for the assessment; however you will have to either pay the drop in fee at the front desk or use your recreation card to enter the facility. The assessment will take approximately 15 minutes and will run through some of the different competitive strokes as well as basic swimming skills. The assessments will occur during one of our maintenance practices which will give parents and new swimmers an opportunity to watch the Triton swimmers and coaches in action! Please bring with you the BCSSA new swimmer form that can be downloaded from the website. It is for insurance purposes and swimmers cannot go in the water without it completed and given to the head coach.

The assessments will be conducted by our Head Maintenance Coach who if needed, will consult with the Coaches Liaison to ensure proper placement. Please contact the registrar (registrar@cloverdaletritons.ca) to schedule an assessment.

Assessment dates are tentatively set for Wednesday January 9<sup>th</sup> and Sunday January 13<sup>th</sup> at 5:45 pm. **If you are interested in joining the Cloverdale Tritons please contact [registrar@cloverdaletritons.ca](mailto:registrar@cloverdaletritons.ca).**
